Issue Eleven

January 2009

## MESSAGE FROM THE PRESIDENT/OWNER

We are ready for winter – are you? With a new program schedule in hand we are going to have a lot of fun! PCC Inc. will be holding several open houses to inform the public of all the wonderful things we have to offer. Our program is so successful that we want to spread the word, and face to face meetings and tours are the best way to do that. With only 4 client spots open we know we will be at our cap within the next few months so if you know of anyone who would like to attend the most progressive and only individualized program on PEI, contact us at 436-0005 to set up a tour and information session. I wish everyone a successful and happy 2009.

## MESSAGE FROM THE MANAGER

I am excited about our winter programming. We are continuing our new Games Development course, and adding Career Explorations and Getting Your Beginners, taught by Rachel Ellsworth. Our Daytime Support group will also be doing a series of science projects with real-world experiments, thanks to our clients' direct input. In fact, all of our Winter 2009 Program offerings were put in place after brain-storming sessions with our clients and caregivers. We will also continue to offer weekly outings and special guests on a wide variety of topics. We are very proud of the curriculum-based programming that we are able to offer!

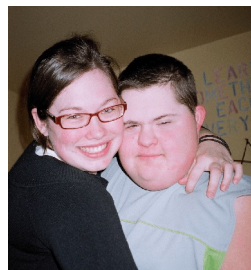

As manager, I have the privilege of interacting with our clients on a daily basis. In all honesty, I consider our clients part of my extended family. We really are a family here at PCC Inc. and we care for one another like a family does. It is an honour to work with these exceptional individuals every day.

I am also very proud of our staff. Emily Smith and Melissa McNeill work exceptionally well with our clients in the Interactive and Daytime Support classrooms, and Melissa is also our van driver. Catherine Dickson will be teaching some classes for us in January and we are delighted to have her expertise and experience. I am expecting wonderful things from our time together in 2009!
